SHEPHERD'S CORNER

By sponsoring the Shepherd's Corner 5K, you take action to restore land, nourish neighbors, and strengthen community. Your support advances **land-based experiences** in **spirituality, education, art, and ecological restoration** -- healing our relationship with Earth and one another. Proceeds sustain **environmental education, forest and wetland restoration, and food pantry gardens** that address food insecurity. With the help of generous partners, Shepherd's Corner has donated **53,831 pounds** of fresh, naturally grown produce over the last 18 years.

Heal Earth. Feed the Hungry.
